# Post-9/11 GI Bill (Chapter 33): General Info with HR3218 “Forever GI Bill” Changes

## Who is eligible for benefits under the Post-9/11 GI Bill?

Individuals who serve at least 90 days of aggregate **qualifying** active duty service after September 10, 2001. Veterans must have received an honorable discharge to be eligible for the Post-9/11 GI Bill.

To be eligible for **100%** of the benefit, an individual must have served an aggregate of **36 months** of active duty service, or have been discharged for a service-connected disability after 30 days of continuous service.

For those who served fewer than 36 months, the percentage of benefit ranges from 40% to 90%:

<b>40%</b> - 90 or more days	<b>60%</b> - 12 total months	<b>80%</b> - 24 total months
<b>50%</b> - 6 total months	<b>70%</b> - 18 total months	<b>90%</b> - 30 total months.

For example, an individual with nine months of qualifying service could receive 50% of the tuition benefit, 50% of the monthly housing allowance (if eligible), and a maximum of \$500 books and supplies stipend per year.

## What entitlements do students receive under the Post-9/11 GI Bill?

The Post-9/11 GI Bill reimburses your tuition & fees to your school and makes housing and other payments directly to you.

### → **Tuition & Fees** - Your school will receive a percentage, as determined by your length of active duty service, of the following:

- For resident students at a public Institution of Higher Learning (IHL) all tuition & fee payments are reimbursed;
- For private and foreign IHLs tuition & fee reimbursement is capped at \$23,671.94 per academic year.

*NOTE: If you are attending a public IHL as a non-resident student or a private IHL that is more expensive than the \$23,671.94 cap you may be eligible for extra payment under the Yellow Ribbon program. See “Yellow Ribbon payments”*

### → **Monthly living stipend** - A monthly housing allowance (MHA) equal to the basic allowance for housing (BAH) amount payable to an E-5 with dependents (based on zip code of campus where attending). This allowance is paid proportionately based on your enrollment. MHA rates will be adjusted for new BAH rates on 1 August instead of 1 January. NOTE:

- If you are attending school at the 1/2 time or less rate, or if you are on active duty or the spouse of an active duty member (with transferred entitlements), you will not receive any MHA. Payments are prorated for days not on active duty.
  - If you are attending school overseas you will receive a MHA of the average BAH amount for all CONUS locations.
  - If you are enrolled solely in distance learning you will receive a housing allowance equal to 1/2 the national average.
- MHA is also prorated based on length of service. For your school's current rates check <http://inquiry.vba.va.gov/weamspub/>

### → **Books and supplies stipend** - Up to \$1000/year payment issued directly to the student. This benefit is paid proportionately at \$41.67 per credit hour, not to exceed 24 credit hours per academic year, and is prorated based on length of service. A lump sum payment is paid with the first housing stipend each academic year.

**Yellow Ribbon payments** - The Yellow Ribbon Program allows degree-granting institutions to enter into a voluntary agreement with VA to fund tuition expenses that exceed the highest public in-state undergraduate tuition rate for individuals eligible for the 100% payment tier. The institution can contribute up to 50% of those expenses and VA will match the same amount as the institution. This payment is issued to the school when the school certifies and VA processes the student's enrollment. (*For details [http://www.benefits.va.gov/gibill/yellow\\_ribbon.asp](http://www.benefits.va.gov/gibill/yellow_ribbon.asp)*)

## What other kinds of education and training does the Post-9/11 GI Bill cover?

- Non-college degree (NCD) programs: Pays actual net cost for in-state tuition and fees at public NCD institutions. At private and foreign institutions, pays the actual net costs for in-state tuition and fees or \$23,671.94, whichever is less. Also pays a yearly books and supplies stipend of up to \$1000 paid proportionately based on enrollment;
- On-the-job and apprenticeship training: Pays a monthly benefit amount prorated based on time in program and a yearly books and supplies stipend of up to \$1000 paid proportionately based on enrollment (up to \$83 per month);
- Flight programs: Per academic year, pays the actual net costs not to exceed \$13,526.81;
- Correspondence training: Per academic year, pays the actual net costs not to exceed \$11,497.78.
- Accredited independent study programs at area career technical schools and postsecondary vocational institutions.
- Allows reimbursement for more than one National Testing Programs/Licensing or Certification (up to \$2,000 per test).
- Allows reimbursement of fees paid to take national exams used for admission to an institution of higher learning (e.g., SAT, ACT, GRE, GMAT, LSAT, MCAT).

**NOTE:** If an individual is eligible for the Post 9/11 GI Bill as well as other GI Bill benefits, s/he will be required to make **an irrevocable choice** of which benefit to receive.

## What is the period of eligibility for the Post-9/11 GI Bill?

Service members whose last day of Active Duty is on or after 1 January 2013 no longer have a delimiting date. For all others the period of eligibility for the Post 9/11 GI Bill ends **15-years** from the date of the last discharge or release from active duty of at least: 90 consecutive days; Or, 30 days but less than 90 days if released for a service-connected disability; **or**, 15 years from the date of discharge for the last period of service used to meet the minimum service requirements of 90 aggregate days of service.

For more information go to: <http://www.benefits.va.gov/gibill> or 1-888-GIBILL-1 (1-888-442-4551)

## Post-9/11 GI Bill (Chapter 33): “Transferability” (Add Dependents as Beneficiaries)

### Who is eligible to “transfer” Post-9/11 GI Bill benefits to qualified dependents?

Individuals who are currently serving in the Armed Forces (on or after 1 August 2009), have completed at least **6 years** of service, have less than **16 years** of service (effective 12 July 2019), and agree to serve up to four more years (must not have an Adverse Action Flag). Extension must be made to add the amount of time to current ETS to equal four years from the date of election for transferability.

Service members can transfer up to 36 months of remaining entitlements to their spouse and/or children. Can **add, revoke or modify** transferability benefits while **servicing** in the Armed Forces. Retirees or separated service members cannot add new beneficiaries; they can only **revoke or modify** existing transferred benefits. Service members can re-transfer Post-9/11 benefits if the original dependent dies, even after the service member separates. Dependents can re-transfer Post-9/11 benefits if the transferor dies and they have remaining months.

#### Spouses

- Can use benefits after service member has served at least **six years** in the armed forces
- Can use benefits up to member’s eligibility period unless member specifies earlier date
- Can use benefits if divorced after the transfer (unless revoked by Service member)

#### Children

- Can transfer to unmarried child under age of 18, or if in college, **under the age of 23**
- May use benefits after transferor has served **10-years** in the Armed Forces
- Will receive full veteran benefits even if transferor is on active duty (housing and books)
- May use benefits from **age of 18 until age of 26** regardless of transferor’s eligibility period
- May continue to receive benefits after marriage

#### ✓ Procedures to Transfer benefits (must be done in sequence)

- Confirm that your family member is enrolled in DEERS as a qualified dependent
- Log into the DOD TEB website to complete your transfer request: You can access TEB through [milconnect.dmdc.osd.mil](http://milconnect.dmdc.osd.mil) (Sign In, click on “Transfer my education benefits”).
- Confirm that your current Expiration Term of Service (ETS) date meets the required service obligation – extend contract if necessary – allow processing time for extension. If your ETS is not updated in the personnel system after 70 days your request will be denied and you will need to request TEB again.
- A Service Representative will approve, reject, or set your request to a pending status. If a Statement of Understanding (SOU) form is required by your service - they will contact you with instructions.
- To track the status of your request, you will need to return to the DOD TEB website to check the ‘Status’ in the Sponsor information section. It is important to follow up and ensure this section states “Approved.”
- Once your transfer request is approved, your data is sent to the Dept of Veterans Affairs (DVA).
- To use the benefit complete VA Form 22-1990e (only when benefit is needed) with the DVA online at [www.vets.gov/education/apply/](http://www.vets.gov/education/apply/)
- DVA will process the dependent’s application and provide a Certificate of Eligibility to the dependent
- Dependent brings the Certificate of Eligibility to the Veterans Affairs Certifying Official at the school they attend to begin processing for payment of benefit.

**IMPORTANT: TEB must be initiated for each dependent *BEFORE* you reach 16 years of service or separate!!!**

## **Education Benefits information for Activated Guard Soldiers**

### **Mobilization Checklist**

1. Notify the school and your professor/instructor that you have been activated and present the appropriate administrator with a copy of your orders.
2. Be sure to make contact either in person or via telephone. Leaving a voicemail or email message is insufficient because further information may be required.
3. Keep a record of names, dates, individuals and a brief summary of your conversations with the school and lending institution.
4. Notify your school's VA counselor that you have been activated and present your activation orders. Discuss the appropriate course of action with the VA Counselor.
5. Contact your student loan lender. It is your responsibility to follow through with any procedure the lender indicates.
6. Call your Education office. If you encounter any problems resolving your academic status, request assistance from your Education Services Officer.

**Note:** to ensure proper credit and to prevent any financial loss to the Soldier, these steps must be completed prior to departure.

## **Montgomery GI Bill and Student Loan**

### **Information for Activated Guard – Reservists**

1. Soldiers in receipt of Montgomery GI Bill (MGIB) benefits who are forced to withdraw from school for activation purposes will have their entitlements restored for the period of the term completed. For example, if a Soldier began school in September and was called to active duty in November, the months of September and October will not count against their entitlement.
2. You must notify your school that you are being activated. You must also notify the VA counselor at the school you attend. Provide a copy of your orders to these school officials. If you do not officially withdraw from school and notify the VA counselor, you will not be able to recoup the months of entitlements lost and may be subject to financial liability. A sample letter is attached.
3. If you have a student loan, notify your lender that you have been activated. Lenders will automatically postpone the student loan payments of borrowers during the period of the borrower's active duty service. Borrowers with subsidized student loans will be eligible to have the federal government assume the interest payments on their loans while they are on military duty. The U.S. Department of Education Web site contains information and guidelines regarding **loan relief for persons affected by military mobilization**.  
<http://www.ifap.ed.gov/dpccletters/GEN0113.html>
4. Any activated soldier receiving **Federal Tuition Assistance** should notify the Education Services Officer at (609) 562-0654, (609) 562-0714 or (609) 562-0711.

**New Jersey Permanent Statutes (<http://www.njleg.state.nj.us>)**  
**TITLE 18A EDUCATION**

**18A:62-4.2. Options for student at public institution of higher education unable to complete course due to military service**

1. a. A student at a New Jersey public institution of higher education who is unable to complete a course because the student is called to partial or full mobilization for State or federal active duty as a member of the National Guard or a Reserve component of the Armed Forces of the United States shall be entitled to the options set forth in this section with respect to the student's grade for the course.

b. A student who has completed at least eight weeks of attendance in a course may choose to:

- (1) receive a letter grade; or
- (2) receive a grade of pass or fail; or
- (3) receive a grade of incomplete; or
- (4) withdraw from the course.

c. A student who has completed less than eight weeks of attendance in a course may choose to:

- (1) receive a grade of incomplete; or
- (2) withdraw from the course.

d. A letter grade or a grade of pass shall only be awarded if, in the opinion of the faculty member teaching the course, the student has completed sufficient work, and there is sufficient evidence of progress toward meeting the requirements of the course, to justify the grade.

e. A grade of incomplete shall remain valid for a period of one year after the student returns to the New Jersey public institution of higher education.

f. A student who chooses to accept a grade of pass or fail may, within one year after returning to the New Jersey public institution of higher education, receive a letter grade for the course by completing the work required for the course, in which case the letter grade shall replace the pass or fail grade as the student's grade for the course.

g. A student who chooses to withdraw from a course shall receive a full refund of tuition and fees attributable to that course.

h. A student who has paid amounts for room, board or fees shall, except as provided in subsection g. of this section, receive a refund of that portion of those amounts attributable to the time period during which the student did not use the services for which payment was made.

i. Any refund payable to a student who is a financial aid recipient shall be subject to the applicable State and federal regulations regarding refunds.
